

2.

On September 27, 2013, the parties filed a Joint Preliminary Report and Discovery Plan (Doc. No. 35). At the time of filing the Case Management Report, 29 plaintiffs had opted into this action. On December 2, 2013, the Court entered an order setting a discovery deadline of May 27, 2014, and a summary judgment deadline of June 26, 2014 (Doc. No. 45).

3.

Subsequently, on December 20, 2013, the parties stipulated to conditional certification of the collective action (Doc. No. 49). On April 8, 2014, the Court entered an order authorizing Plaintiff to issue notice of the action to a putative class of 220 current and former employees (Doc. No. 85). The Court set a 60-day opt-in period for putative class members to opt into this action (“opt-in period”), which expired on July 1, 2014 (*Id.*).

4.

On May 27, 2014, the parties filed a Joint Motion for Extension of Time to Complete Discovery and Derivative Deadlines (Doc. No. 97). On May 28, 2014, the Court granted the motion and entered an order requiring the parties to submit a status report and proposed discovery schedule within 14 days after the close of the opt-in period (Doc. No. 99).

5.

The opt-in period has closed and 79 plaintiffs opted into this action.

6.

Given the discovery needed by the parties, the parties respectfully and jointly request that the Court provide them with an additional amount of time for discovery. The parties disagree on the amount of time needed.

Plaintiff requests that the Court provide the parties with four months of discovery, setting the discovery deadline for November 14, 2014. Plaintiff further requests that the Court extend the deadline for filing a summary judgment motion or a consolidated pretrial order to December 15, 2014.

Defendant requests that the Court provide the parties with nine months of discovery, setting the discovery deadline for April 15, 2015. Defendant further requests that the Court extend the deadline for filing a summary judgment motion or a consolidated pretrial order to May 15, 2015.

7.

Matters impacting the efficient resolution of cases before the Court, including the extension of various deadlines, fall with the Court's inherent and discretionary authority. *See* Fed. R. Civ. P. 6(b). This request is made in good faith, and not for the purposes of vexation or delay and will not prejudice any party

to this lawsuit. The amended case management schedule requested by the parties will promote “the just, speedy, and inexpensive determination” of this action. Fed. R. Civ. P. 1.

A proposed order is enclosed for the Court’s convenience.

Respectfully submitted, this 15 day of July, 2014.
